

Reserved Parking Rules—Covered Bridge Festival

Arrival & Check-In

Check the enclosed RV Park and Reserved Parking Calendar for schedule and operating hours. When you arrive, check with the lot attendant prior to parking any vehicles.

Cargo Trailers & Box Trucks

Will be located in designated areas. We will attempt to locate actively used units as convenient to your vendor booth location as possible. Units requiring electricity and over sized units have priority to specific locations. If we have parking spaces coned off, do not remove the cones without our permission.

Daily Parking During CBF

Will be handled on a first come, first served basis. All parking space boundaries are marked with yellow paint. Please fill in spaces in order without leaving empty spots. If you have difficulty finding a space, please be patient and check with the attendant, who will assist you. All driveways, walkways and no parking zones are marked with red paint. **Do not park in a "red zone", or your vehicle may be towed at your expense.** Do not park in or block RV Sites. All driveways must be kept clear for service or emergency vehicles.

Parking Tags

Everyone who registers and pays for reserved parking will be issued a tag for each vehicle. Tags must be prominently displayed for easy ID and in case of emergency. **Any vehicle without a tag may be towed at the owner's expense. If a tag is lost or stolen, please notify us immediately.**

Security

We patrol the area during the day, and the lots are lighted at night. We strongly urge you to lock your vehicles. Please report any suspicious activity so we may properly deal with the situation. We have had minimal problems over the years and we intend to keep it that way. **Willow Rose Properties is not responsible in the event of accidents, theft or any other property damage.**
